Subtotal:			USD 2,927.00
TOTAL:			USD 2,927.00

Notes:

- Monthly charges are billed in advance. One-time implementation fee is payable upon acceptance.
- Pricing is based on the current confirmed operational scope across all existing branches and users at the time of quotation.
- Additional modules (e.g. Inventory, Accounting, Procurement, analytics) are not included and will be quoted separately based on scope and complexity.
- Pricing may be reviewed if there are significant changes in scale, including branch count, users, transaction volume, or infrastructure requirements.

Thank you for your business!
